The Department of Health Bureau of Emergency Medical Oversight (BEMO) is responsible for investigating complaints involving service providers, training schools and 911 Public Safety Telecommunicators.

To file a complaint/report, compete, sign and notarize or witness this form and provide dates and details regarding your complaint.

Be specific and include copies of pertinent medical records, correspondence, contracts, and any other documents that will help support your complaint. The Authorization for Release of Patient Information form included on page 4 must be completed and signed in order to process your complaint, as a health care practitioner cannot even disclose that you are his/her patient without this authorization (if applicable).

The Department will acknowledge receipt of your complaint/report by letter. If the allegations contained in your complaint are determined to be possible violations of applicable laws and rules, your complaint will be assigned for investigation.

If you have questions about the complaint process, contact the BEMO's Investigation Unit at (850) 245-4440.

ISSUES WHICH ARE NOT WITHIN THE AUTHORITY OF THE DEPARTMENT/BUREAU OF EMO INCLUDE:

- **Fee or Billing disputes (i.e., the amount a provider charges for services).**
- **Rudeness or personality conflicts (i.e., provider or staff's attitude or professionalism).**

Health care practitioners are regulated by professional boards under the purview of the Department and the action which may be taken by the professional boards is administrative in nature (i.e., reprimand, fine, restriction of practice, remedial education, administrative cost, suspension, or revocation). The Department cannot represent you in civil matters to recover fees paid or seek remedies for injuries. You may wish to consult a private attorney regarding these matters. The Department is not a law enforcement agency. If you believe this complaint may be a crime, please report it to your local law enforcement agency immediately.
