

RESOLVE

Real People. Real Impact.

WELCOME FROM OUR CEO

The past six months have been filled with exciting events and activities at Ritter Center, and your unwavering support has been central to our efforts enabling us to make significant achievements and profoundly impact the lives of our neighbors in need.

Our Hope for the Holidays campaign raised over \$440,000, bringing stability and joy to many during the holiday season. Your contributions made a tangible difference, from providing turkey meal kits at Thanksgiving to heartwarming encounters with Santa and a festive dinner for people experiencing homelessness.

In February, your donations to our Wet Weather Appeal surpassed expectations, generating nearly \$10,000 in just 10 days. This support allowed us to provide essential gear, such as raincoats, tarps, boots, and tents, to those living on the streets, offering protection from the elements.

The start of 2024 marked a significant milestone in our history with the groundbreaking ceremony for Ritter Center's future home at 800 A Street in San Rafael. This new facility will enable us to expand our services and reach even more individuals in need. You can read more

about this special day and our ongoing Capital Campaign in this edition of Resolve, where you'll also learn about the mission-driven commitment of our new Board President, Mike Ralston.

Looking ahead, we are thrilled to invite you to our annual Under the Stars: Dare to Dream fundraiser at the Elks Lodge in San Rafael on May 16. This event promises to be an evening of inspiration and celebration, with guest speakers Mayor Kate Colin of San Rafael and ABC7's Cornell Barnard.

Together, we continue to uphold our commitment to deliver exceptional services while treating every individual with the dignity and respect they deserve. Your support is truly making a difference right here in our local community, and for that, we are incredibly grateful.

Building Hope, Healing Lives

After 44 years at 16 Ritter Street, Ritter Center is moving to a new facility within the coming year! This relocation marks a transformative moment in our history and demonstrates our deep commitment to our neighbors in need.

So why are we moving? In short, Ritter Center has outgrown the small Victorian with its significant constraints. The new center will have nearly 14,000 square feet: twice the medical exam rooms, modern healthcare equipment, dedicated behavioral health rooms, lab for onsite testing, treatment room for minor procedures, double the size Food Pantry, off-street parking, and interior waiting rooms.

Our Capital Campaign, “Building Hope. Healing Lives,” led by Campaign Cabinet Co-Chairs Katie Smith and Board Member David Neagle, is propelling us towards our \$14.M future new home. This journey has included a memorable gathering at Lagunitas Club last fall to raise leadership gifts for the new health center’s renovation.

Kate Colin, Mayor of San Rafael, and Rhea Suh, President & CEO of Marin Community Foundation, both delivered passionate speeches affirming their support for the project, believing that “Marin County is stronger when we have a stronger Ritter Center helping those in need.” The evening included memorable “lived experience” stories from Cabinet member Debra Delaney and client and Board Member, Sandi McMillion.

In January we held an exciting groundbreaking celebration at the new building. Mayor Kate Colin of San Rafael, CEO Mark Shotwell, and Cabinet Co-Chairs Katie Smith and David Neagle donned hard hats and “broke ground” to mark the start of the renovations. Councilmembers Eli Hill, Rachel Kertz, and Brian Colbert were on site to join in the festivities, along with over 100 supporters including donors, partners, and the media as we embarked on this investment in the future of our community.

We are humbled by the generosity of our supporters, including Marin Community Foundation. Speaking about the groundbreaking and the project as a whole, Rhea Suh, President and CEO, Marin Community Foundation said:

"The groundbreaking today is truly seismic. For those of us who know and have known Ritter Center over its past four decades, we understand the critical role they play in providing services to those of us in most need. This new building will enable Ritter to expand their services to reach many more people and to have a remarkable place that can serve as a beacon of hope and dignity. Marin Community Foundation is honored to be a contributor to this building and to Ritter Center's profound mission."

We invite you to help create a lasting legacy of hope and healing in our community.

New Board President Mike Ralston: "We Are All One Community"

"The day that John F. Kennedy's assassination occurred is still crystal clear in my head. I was having lunch at high school and fully felt the brunt of the impact of that moment and thought to myself: the world is a mess and needs so much work," said Ritter Center Board of Directors President Mike Ralston. This was a turning point for Mike. Over time, after a few detours into different schools of thought, he began to fervently believe that it was the proper role of government to look after its citizens. "Equally important, it is also at the same time, the proper role of citizens to look after other citizens. We are all one community and a community looks after itself. This was and still is my orientation," he said.

Keep reading to see how Mike's career as a physician brought him to his current role of Board President. <https://rittercenter.org/board-stories/mike-ralston/>

"There is still so much work to be done with understanding, compassion and concern for helping others in terms of all of humanity. It is this desire to think of human beings collectively that connects me to Ritter Center and our work together." —Mike Ralston
