Introduction and Overview

****Please note: Before applying for renewal, the board should carefully consider whether the school has met the criteria for renewal as set forth in the [Regents' Oversight Plan](#), including, but not limited to, the [Charter School Renewal Policy](#) and the standards set forth in the [Charter School Performance Framework](#).¹ If the board does not apply for renewal, the charter will not be renewed, and the school will close on June 30th of the final year of the current charter term.***

The New York State Education Department (“NYSED” or “the Department”), on behalf of the New York State Board of Regents (“Board of Regents” or “Regents”), is a community-based authorizer committed to principles of equity and access for all students across New York State. Community-based authorizing is based on the principle that community stakeholder voice and response to community need are integral components of charter school decision-making at all levels. We expect to see evidence of community voice as well as a commitment to the principles of diversity, equity, and inclusion throughout your renewal application.

The New York State Education Department Charter School Office (“NYSED CSO”) renewal guidelines provide charter schools authorized by the Board of Regents the detailed requirements necessary to prepare and submit an application for charter renewal to the NYSED CSO and the New York State Board of Regents. These guidelines also include an overview of the charter renewal process.

The Board of Regents is obligated by law to conduct ongoing performance reviews of each charter school and to decide whether to renew the school’s charter and for how long. In 2012, the Board of Regents adopted a [Charter School Renewal Policy](#), which guides the work of the NYSED CSO in overseeing the performance of Regents-authorized charter schools. The 2015 and 2019 Charter School Performance Frameworks are used by the NYSED CSO to evaluate school performance, and by the Board of Regents to make renewal determinations.

The 2015 and 2019 Charter School Performance Frameworks address three broad areas. By providing complete and accurate information and evidence under each of these three areas, the school has the opportunity to make its best case for charter renewal.

1. The school’s academic success and ability to operate in an educationally sound manner;
2. The school’s organizational viability and its ability to operate in a fiscally sound manner; and
3. The school’s faithfulness to the terms of its charter and adherence to applicable laws and regulations.

¹ Please note, there are currently two versions of the Charter School Performance Framework. The 2019 version will apply to all Board of Regents-authorized charter schools authorized or renewed during the 2019-2020 school year and thereafter. The 2015 version will apply to all other Board of Regents-authorized charter schools.

Charter Renewal Process Summary

Submission of Application for Charter Renewal

Schools requesting a charter renewal term beginning on July 1, 2024, must submit a completed application for charter renewal, with the exception of the Benchmark 1 narrative, **no later than 5:00 PM EST on August 15, 2023.**²

Renewal schools must list all revision requests in their renewal application and must submit all revision requests to the NYSED CSO Online Portal: Revisions by the August 15, 2023 renewal application due date. The December 1, 2023 revision request submission due date is for non-renewal schools.

To determine a school's eligibility to submit an application, reference this list placed on the renewal application webpage: [Charter schools whose charter terms expire at the end of the 2023-2024 school year.](#)

The Benchmark 1 narrative based on data provided by the CSO prior to the due date, and other supplementary data that the school may choose to present, is to be submitted **no later than 5:00 PM EST on October 3, 2023.**³

Eligible school applicants will submit the complete renewal application solely through the NYSED CSO Online Portal. **The NYSED CSO will soon provide details about the renewal process, resources, and its NYSED CSO Online Portal. Details will also be posted on the NYSED [CSO renewal application information page.](#)**

The submitted charter renewal application must be complete and align to the content and format guidelines set forth in this document.

Application Review

Once received on the NYSED CSO Online Portal: Renewals, NYSED CSO staff review the submitted application to ensure that it is complete and clearly written. If it is incomplete or if sections are unclear, it may be returned to the school for revision. The NYSED CSO may also request additional information during its renewal site visit.

Renewal Site Visit

As delegated by NYSED's Commissioner, a NYSED CSO renewal site visit team conducts a detailed review of the school's performance. This NYSED CSO site visit team will prepare a renewal site visit report summarizing its findings. Your NYSED CSO liaison will work with you on scheduling and conducting a fall 2023 renewal site visit. The NYSED CSO will provide details about the renewal site visit in its [Renewal Site Visit Protocol](#) and post this document on its website.

² In cases where a school's charter agreement indicates a different due date, these guidelines constitute CSO approval, on behalf of the Commissioner, for a non-material revision to the charter agreement to accommodate this new deadline.

³ Deadline subject to change to a later date solely by the NYSED's CSO with advance notice.

Opportunity for Response Upon NYSED CSO's receipt of the school's renewal application and material revision requests (if applicable), it will send a notification letter to the school's district of location. This action prompts the district to hold a public hearing, at which time anyone may speak in favor or opposition of what is before them. Following the renewal site visit, and upon receipt of the NYSED CSO's final draft renewal report, the school may choose to provide the NYSED CSO with factual corrections to that version of the report. Once finalized, the school then has an opportunity to provide evaluative comments that become part of the school record and are posted on the NYSED CSO website, along with the final renewal site visit report. Other interested parties and members of the public are given the opportunity to submit written comments to the NYSED CSO regarding renewal of the school's charter.

Department Recommendation The Department reviews data collected by the NYSED CSO through the renewal process. This data includes multiple sources of evidence throughout the charter term including, but not limited to, the school's application for charter renewal; site visit reports; annual reports; student achievement and enrollment data; and financial data. The Department, based on the aforementioned data, and in the context of the Board of Regents' Renewal Policy, prepares a renewal recommendation and a final renewal site visit report for the Board of Regents.

Schools will be notified of the Department's renewal recommendation after it has been finalized and confirmed, which typically occurs one to three business days before the Regents meeting where the school's item will be considered. Schools should plan to have a brief call with the CSO to learn about that recommendation shortly before that Regents meeting, however, schools that are unable to participate in the calls will receive the recommendation information through an email, which will be sent to the school's board chair and school leader.

Board of Regents Vote The Board of Regents votes to grant, modify, or deny the school's application for charter renewal. The Board of Regents also has the discretion to set forth terms and conditions for the school's charter renewal period. A school's renewal application is generally a summary of what the school has accomplished during the charter term and explains how the school has met the requirements of its charter. To the extent that the renewal application contains narrative or other items that conflict with the school's original or existing charter, and those items are not specifically approved by the Regents, they are deemed denied. In order for the school's revision requests to be considered for Regents' approval, the school must request these revisions to its charter using Section 4 of the renewal application in the NYSED CSO Online Portal: (submitted to the Revisions section and listed in the renewal application). These revision requests are reviewed by NYSED CSO and, in the case of material revision requests, reviewed by the Regents at the time the renewal action is taken. If a revision request is not specifically approved by the Board of Regents, the revision is deemed to be denied.

Application for Charter Renewal Submission Instructions

Submission Instructions and Deadlines:

A school must complete all prompts in all sections of the renewal application applicable to the Performance Framework it is currently under.

- To determine your school's designation please reference this document posted on the CSO website (Renewal Application Process): [Charter schools whose charter terms expire at the end of the 2023-2024 school year.](#)
- You can also look at sections 2.5 and 6.2 of your current initial or renewal charter agreement. If it just says "performance framework" the school is under the 2015 version. Otherwise, it will say "2019 performance framework."

For your convenience, the CSO hyperlinked several resource documents to its main CSO webpages. You may need to navigate through a page to find the referenced document. By doing so we hope to increase your chances of accessing the document, rather than finding broken links. However, if you encounter any problems, please email CharterSchools@nysed.gov.

While schools may opt to include supplemental information that supports the school's renewal narrative, the Department and NYSED CSO are not required to consider this optional supplemental information in its renewal recommendation.

The submitted charter renewal application must be complete and aligned to the content and format guidelines set forth in this document.

Application for Charter Renewal Format:

- The completed Application for Charter Renewal may not exceed 45 pages, excluding cover letter, Section 4 revisions, Benchmark 1 narrative, optional supplemental documents, and attachments.
- Please use the application completion checklist, below, to ensure that all required components are included.
- The text and attachments must use standard one-inch margins, be paginated, and use a clearly readable font no smaller in type size than 11-point.
- The text and attachments must be grammatically correct and free of jargon, undefined terms, and unexplained references.
- Tables, graphs, and other data (including student achievement data) must be clearly presented and explained, and directly relevant to the text.
- Do not include individual student-level data; or photographs, pictures, graphics, or news clippings that are not directly relevant to the text.
- All attachments must be clearly labeled, as designated in these guidelines. In a situation where an attachment is not applicable to your school's situation (such as Attachment I), please mark the attachment template as "Not Applicable" and upload it to the NYSED CSO Online Portal.
- The cover letter (one page or less) submitted by the school's board chair must be signed, dated, and approved by the board. In addition, the application for charter renewal must be certified.
- You can hyperlink resources in your narrative. You do not have to submit every resource; however, every hyperlink needs to be functional.

Note: Education Law §2851(4)(c) requires the submission of copies of each of the annual reports of the charter school as part of the application for charter renewal. If the school has already submitted these annual reports to the NYSED CSO, the school is not required to resubmit them as part of this Application for Charter Renewal. Pursuant to the Education Law, all charter schools in their renewal term are also required to submit an Annual Report as directed by the Commissioner, and as would occur in any other year.

- **Evidence and Considerations of Community-Based Authorizing** (strongly recommended). The Board of Regents is a community-based charter school authorizer with a commitment to diversity, equity, and inclusion. As such:

 - Describe the processes, practices, and policies by which community input and “voice” are to be included in school-level decision making and be represented on the school’s board of trustees. Such processes, practices, and policies shall ensure a diverse set of voices are included in the operation of the school and adhere to the principles of diversity, equity, and inclusion.
 - Discuss how the school design, both academic and social-emotional, supports the needs of, and is responsive to, the community and how input to determine and respond to changing community need will be determined and implemented. This design should be from a strengths-based perspective where the school is aware of, and responsive to, leveraging the inherent strengths and assets of the community.
 - If the school plans to partner with a community-based organization, applicants must describe how that partnership will bolster or deepen student learning, both academic and social-emotional.
 - How will the school evaluate the effectiveness of community partnerships?
- Other supplemental information the school deems necessary such as, but not limited to, other academic data or analyses the school feels is important for consideration.

SECTION 1: ACADEMIC SUCCESS

Benchmark 1: Student Performance

2015 Charter School Performance Framework: *The school has met or exceeded achievement indicators for academic trends toward proficiency, proficiency, and high school graduation. At all grade levels and for all assessments, scoring proficiently means achieving a performance level of 3 or higher (high school Regents and Common Core Regents exam score of 65 or higher).*

2019 Charter School Performance Framework: *The school has met or exceeded achievement indicators for academic trends toward proficiency, proficiency, and high school graduation. Proficiency at the elementary/middle school level shall be defined as achieving a performance level of 3 or higher on all Grade 3-8 assessments. At the high school level, proficiency shall be defined as obtaining a Regents exam score of 65 or higher.*

Highlights of updates from 2015 to 2019:

1. Updated language to reflect the New York State ESSA Plan;
2. Alignment of certain indicators with the New York State ESSA Plan; and
3. Grades 4 and 8 science exam outcome measures are included.

Overview:

- The NYSED CSO will provide schools with a comprehensive set of data tables including various analyses of the New York State Testing Program (NYSTP) 3-8 Assessments, Regents Exams, and graduation rates. Comparisons will be provided for any sending school district where more than 40% of the school's enrolled students reside or for districts that the school has a mission to serve pursuant to its charter. A school's Benchmark 1 narrative should reference its academic performance through the penultimate year (second to last) of the current charter term.
- Attachment 1 contains preliminary tables based on the most recent available academic and enrollment measures. If updated data is available prior to the October 3, 2023 due date, the NYSED CSO may provide you with an updated Attachment 1; however, you should begin to review and use this preliminary data. ***The NYSED CSO Online Portal: Renewals may not be available to accept BM 1 narratives until approximately September 13, 2023****. For information on the source of data used by the NYSED CSO, refer to the Application for Charter Renewal's Appendices 2A and 2B: Benchmark 1 Data Guide.

Notes:

- **Date is subject to change with written notice from the NYSED CSO.*
- *These Attachment 1 data tables should be used to respond to BM 1 prompts for Charter School Performance Indicators 1, 2, and 3. The prompt asks you to provide a brief narrative to describe trends, strengths, weaknesses, a brief rationale for these data outcomes, and strategies the school is employing to improve outcomes.*
- All schools must complete the Benchmark 1 narrative based on the most recent data that has been provided by the NYSED CSO. Although the NYSED CSO primarily uses the metrics in Benchmark 1 for the evaluation of charter schools eligible for renewal, schools can provide supplemental relevant data in the Supplementary section of this application.
- **While the Department may consider other assessment data as supplementary evidence for a school's performance, this data will not supplant the mandatory Charter School Performance Framework**

indicators. Charter schools may include supplementary information and data in their Benchmark 1 narrative. For example, charter high schools serving over-age/under-credited students may choose to include supplementary student engagement or attendance data, among other metrics. However, this information is only supplementary and does not supplant the mandatory 2015 or 2019 Charter School Performance Framework indicators. Only the indicators enumerated in the 2015 or 2019 Charter School Performance Framework will be used to determine benchmark ratings. Appendix 1A lists indicators applicable to the 2015 Charter School Performance Framework. Appendix 1B lists indicators applicable to the 2019 Charter School Performance Framework.

- The indicators and measures presented in Appendix 1A and 1B are based on State assessments, metrics, and accountability requirements currently in use or planned. The Department reserves the right to revise these measures to accommodate changes in state assessments, metrics, or accountability requirements, including any new U.S. Department of Education requirements that may be enacted during the charter term.

All schools are encouraged to refer to [the Student Information Repository System \(SIRS\) Manual](#) and [the 2015 or 2019 Charter School Performance Framework](#) for more information on the business rules for calculating these data points, particularly which students qualify to count as English language learners (ELL) or students with disabilities (SWD). NYSED CSO-specific business rules can be found in the 2015 and the 2019 Charter School Performance Frameworks in Appendix 1: Benchmark 1 Indicators, and in Appendix 2: Benchmark 1 Data Guide. Schools that identify errors in their NYS Report Cards **CANNOT** have the errors adjusted after the report card is published and should be following all applicable business rules, data reporting deadlines, and quality control procedures as set forth by the Department. Careful data submission and verification throughout the school's charter term and prior to the closing of the NYSED data warehouse is key to ensuring renewals are brought to the Regents in an accurate and timely manner. The Department will continue to ensure that deadlines for data submission and verification are communicated to schools.

- The period of evaluation for the indicators and measures presented in Appendix 1 generally spans from the beginning of the charter term through the end of the penultimate year of the charter term. For example, if a school's charter term runs from July 1, 2019 through June 30, 2024, the data under consideration will end with the academic results through the end of the 2022-2023 school year. For renewal terms, the last year of the prior charter term will generally be considered as a baseline for the next renewal term. The Charter School Renewal Policy permits an examination of previous charter terms in making a renewal recommendation to the Regents.
- The general academic standards for a full-term renewal ⁵ are:
 - The school's outcomes on the NYSTP 3-8 math and ELA assessments meet or exceed the district and approach or exceed the state overall proficiency rate for the same grades.
 - For schools that serve high school grades, cohort Regents examination pass rate outcomes are expected to meet or exceed the state average.
 - For high school graduation results, the cohort graduation rate should meet or exceed the state graduation rate.

Directions for Completing the Benchmark 1 narrative: Referencing Appendices 1 and 2, applicable to your 2015 or 2019 Charter School Performance Framework, complete the Benchmark 1 narrative section of the renewal

⁵ NYSED's renewal recommendation to the Board of Regents is based on the entirety of the [2015 or 2019 Charter School Performance Framework](#), the Board of Regents Renewal Policy, applicable laws and regulations, and other factors. Benchmark 9: Enrollment, Recruitment, and Retention

The NYSED CSO will provide to schools the data concerning the enrollment of subgroups and the retention of all students and subgroups as compared to the district of location. These will include up to five years of the school's and district's enrollment information. In addition, the CSO will provide data for any sending school district where more than 40% of the school's enrolled students reside, and for districts that the school has a mission to serve pursuant to its charter, and, if the district of location provides less than 25% of the school's enrollment, comparison data for the next highest sending district may be provided.

For charters previously renewed under the 2019 Charter School Performance Framework, the school's reported enrollment will be compared to its contracted enrollment. Should your school exceed or fail to meet the contracted enrollment, you should discuss the situation in your application.

For charters previously renewed under the 2019 Charter School Performance Framework, the cohort-based persistence metric will be included here in Benchmark 9.

2015 Charter School Performance Framework: *The school is meeting or making annual progress toward meeting the enrollment plan outlined in its charter and its enrollment and retention targets as defined by the NYSED CSO (grade level comparisons to the school's district of location) for students with disabilities (SWD), English language learners (ELL), and students who are eligible applicants for the free and reduced priced lunch program (ED); or has demonstrated that it has made extensive good faith efforts to attract, recruit, and retain such students.*

Please provide the following information:

1. The school maintains sufficient enrollment demand for the school to meet or come close to meeting the enrollment plan outlined in the charter.
If the targets are not met:
2. The school is making regular and significant annual progress towards meeting the targets.
3. The school has implemented extensive recruitment strategies and program services to attract and retain students with disabilities, English language learners, and students who are eligible for free and reduced priced lunch. Strategies include but are not limited to: outreach to parents and families in the surrounding communities, widely publicizing the lottery for such school, efforts to academically support these students, and enrollment policy revisions, such as employing a weighted lottery or enrollment preference, to increase the proportion of enrolled students from the three priority populations.
4. The school has implemented a systematic process for evaluating recruitment and outreach strategies and program services for each of the three categories of students, and makes strategic improvements as needed.

2019 Charter School Performance Framework: *The school is meeting or making annual progress toward meeting the enrollment plan outlined in its charter and its enrollment and retention targets for students with disabilities, English language learners, and students who are eligible applicants for the free and reduced priced lunch program; or has demonstrated that it has made extensive good faith efforts to attract, recruit, and retain such students. High schools are meeting persistence rates commensurate with the NYSED target.*

Please provide the following information:

1. Discuss trends in enrollment of special populations over the current charter term.
2. If the school is not yet serving proportions of special student populations that are comparable to the district of location (or primary sending district), explain, in detail, the recruitment and retention strategies and program services that were implemented over the current charter term to attract and retain SWD, ELL, and ED students.⁷
3. Describe the process currently used to evaluate recruitment and retention outreach strategies and program services for each of the three categories of students, and what strategic improvements will be made in the next charter term.
4. Discuss how the above recruitment and retention efforts (identified in prompt #2) resulted in an increase in enrollment for SWD, ELL and ED students, using the data provided by the NYSED CSO.
5. Describe in detail the recruitment and retention strategies and program services that will be implemented in the renewal term to attract and retain SWD, ELL and ED students.

⁷ Depending on the school's differentials to the district of location regarding its enrollment of all students, ELL, SWD, and/or ED students, the school may receive renewal conditions as its renewal recommendation is presented to the Board of Regents. The condition placed on the school is that it shall devise and implement a weighted lottery in consultation with the NYSED CSO no later than the first year of its renewal charter term.

Note: At a minimum, schools should plan to maintain the following records for possible on-site review at renewal:

- All recruitment efforts specifically targeting SWD, ELL, or ED students;
- Academic supports made available to meet the needs of SWD, ELL, or ED students;
- Recruitment mailings and mailing lists;
- Distribution of recruitment fliers and the reasons those locations were selected;
- Meetings with community groups/potential applicants; and
- Percent of open seats that were awarded to siblings/number of siblings in the applicant pool.

Such records will assist the school in presenting data to document that it is effectively implementing recruitment strategies to attract, and programmatic services to retain, the identified target student populations. Further, such records will assist the school in developing a systematic process for reviewing outreach and recruitment and retention practices and modifying those efforts as warranted.

Benchmark 10: Legal Compliance

Please note:

- If a revision request is necessary, the school always needs to submit the revision request, and receive specific approval by NYSED or Board of Regents, prior to implementation. Check the CSO Revision Guidelines for further details, and if necessary, submit a request as per Section 4 instructions of this application.
- When discussing complaints, summarize any formal complaints filed over the course of the charter term. Describe where the complaint was filed (to the school, board, or NYSED CSO), and information on how the complaint was resolved. Do not include personally identifying information.
- When discussing all revision requests, list them.
- When discussing the school's facilities, describe how the school assures, on an ongoing basis, that its facility meets applicable state and federal requirements, is safe and secure, and is programmatically accessible to all persons with disabilities.

2015 Charter School Performance Framework: *The school has complied with applicable laws, regulations, and the provisions of its charter.*

2. The school has undertaken appropriate corrective action when needed, and has implemented necessary safeguards to maintain compliance with all legal requirements.
3. The school has sought Board of Regents and/or Charter School Office approval for significant revisions.

2019 Charter School Performance Framework: *The school has complied with applicable laws, regulations, and the provisions of its charter.*

Please provide the following information:

1. The school has compiled a record of substantial compliance with applicable State and federal laws and regulations and the provisions of its charter including, but not limited to: those related to student

admissions and enrollment; FOIL and Open Meetings Law; protecting the rights of students and employees; addressing complaints; financial management and oversight; governance and reporting; and health, safety, civil rights, and student assessment requirements.

2. The school has undertaken appropriate corrective action when required, and/or as requested by the Board of Regents and/or the NYSED Charter School Office and has implemented necessary safeguards to maintain compliance with all legal requirements.
3. The school has a plan to ensure that teachers are certified in accordance with applicable laws and regulations.
4. The school has sought Board of Regents and/or the NYSED Charter School Office approval for material and non-material revisions.
5. The school maintains sufficient enrollment demand for the school to meet the expectations detailed in the enrollment plan outlined in the charter and within the parameters set forth in the charter agreement.
6. The school seeks guidance from its legal counsel when updating documents and handling issues that arise.

SECTION 4: CHARTER REVISIONS

Renewal schools must list all revision requests in the renewal application and submit all revision requests that the school is seeking, alongside their renewal application, in the [NYSED CSO Online Portal: Revisions](#) by the August 15 renewal application due date. All requests must align to the [Charter School Revision Guidelines](#). Once in the [NYSED CSO Online Portal: Revisions](#), you will be provided with specific instructions on submitting these requests. The December 1, 2023 revision request submission due date is for non-renewal schools.

Material Charter Revisions:

Material revisions to a school's charter must be approved by the Board of Regents before they may be implemented by a school.⁸ If the school is proposing one or more material revisions to its charter, the school **must** list each revision request in the renewal application and **must** submit each revision request to the NYSED CSO Online Portal: Revisions. Proposed material charter revisions will be considered on the basis of NYSED CSO review of all required documentation, as per the Charter Revision Guidelines.

Including a material charter revision request in the application does not constitute automatic approval by the Board of Regents, as requests will be considered and specifically approved on a case-by-case basis. Material revisions will be placed in the CSO notification letter sent to the school's district of location, along with the request for renewal. Material revision requests then being recommended by the Department will be included in the renewal item sent to the Board of Regents in the spring of 2024.

If approved, material revisions submitted with renewal applications would go into effect in the 2024-2025 school year. If a material revision request does not appear in the Board of Regents (BOR) item for renewal/revisions, the request has not been forwarded to the BOR, and is therefore NOT approved. For a material revision request to be considered, it is important that you clearly request the revision and submit every required document in this section. Any items not specifically approved by the Regents are deemed denied.

All schools are asked to review their original charter and request a revision for any changes not specifically approved in writing by the Regents. The most common unapproved revisions are changes to the school schedule, key design elements, mission, vision, and organizational chart (adding or removing a reporting level).

Non-Material Charter Revisions:

Non-material revision requests to a school's charter must be specifically approved by the NYSED CSO on behalf of the Commissioner before they are implemented by a school. If the school is proposing one or more non-material revisions to its charter, the school **must** list each revision request in the renewal application and **must** submit each revision request to the NYSED CSO Online Portal: Revisions. **In order for a non-material revision request to be considered, it is important that you clearly request the revision and submit every required document in this section.**

*Including a non-material charter revision request in the application does not constitute automatic approval by the NYSED CSO, as requests will be considered on a case-by-case basis. The CSO will send the school an approval/denial email regarding each non-material revision request **no later than when it informs the school leader/Board Chair of the BOR vote on the renewal recommendation**. Revision requests that have not been specifically approved in writing are deemed denied, even if no denial notice has been received.*

⁸ Failure to specifically approve a revision request constitutes a denial.

Note: In some instances, upon NYSED CSO review, while the school did not submit a revision request, the liaison may ask the school to submit a revision request should there be inconsistent information in the application, such as increasing enrollment in the budget and narrative, a different mission, a different organizational chart, different key design elements, etc. but the school did not submit a revision request.

SECTION 5: ATTACHMENTS

Provide the following documents, labeled with the attachment letters as shown. If an attachment is not applicable, submit the attachment template with the text “Not Applicable.” For each attachment (with the exception of the proposed budget for next year, Attachment E), include ONLY the school’s **current NYSED-approved** document. **Note: If changes are being considered for the next charter term, please also list the proposed revision in the renewal application and submit redlined versions of the proposed revisions in the NYSED CSO Online Portal: Revisions in Section 4: Charter Revisions following all instructions found in the NYSED CSO [Charter Revision Guidelines](#).**

Attachment A: School Calendar. Schools must provide a 2023-2024 school calendar in the 2022-2023 Annual Report to indicate the start and end date of the instructional year and the total number of instructional days that were scheduled. That calendar will be used during your renewal site visit. In this renewal application, provide a school calendar for the first year of the proposed renewal charter term (2024-2025) that clearly indicates the total number of instructional days to be scheduled for each grade for each year (if the calendar is different for different grades) AND the number of instructional hours and instructional days for each month. **The calendar must be in grid format. Please note:** If the school is proposing a material or nonmaterial revision to its calendar in Section 4 of the renewal application, please *also* provide a proposed school calendar that reflects the revision request, and clearly label the calendars to differentiate them.

Attachment B: Master School Schedule. Provide the school’s schedule for 2023-2024 (last year of the current charter term) and the schedule for 2024-2025 (first year of the proposed renewal charter term).

- Clearly detail the total hours of instruction to be provided and in which grade levels and/or courses. Where different grades have different schedules, all such schedules should be provided.
- Identify if the school’s daily schedule differs from day to day (e.g., A, B, C days, or where special programs may be taught on Tuesdays and Thursdays only).
- Identify classrooms that include ELL and SWD.
- Identify the teacher(s) of each grade/course.
- If the school serves high school grades, submit a schedule that allows the NYSED CSO to determine if the high school has provided the number of instructional units each year as required by law and the NYSED Commissioner’s Regulations, such that the school may award a terminal degree.

Please note: If the school is proposing a material or nonmaterial revision to its school schedule in Section 4 of the renewal application, please *also* provide a proposed school schedule that reflects the revision request, and clearly label each schedule provided to differentiate them.

Attachment C: Complaint Policy. Provide ONLY the school’s **current NYSED-approved** complaint policy unless the school is proposing revisions to the policy as part of Section 4 of the renewal application. If a revision is proposed, please *also* provide a redlined version of the proposed policy, and clearly label each complaint policy to differentiate them. **Please note:** NYSED requires that all complaint policies include contact information for the school’s board of trustees. **NEW:** The complaint policy must clearly state that persons with formal complaints alleging a violation of the law or the school’s charter may initiate complaints directly with the school’s board of

trustees, without going to school staff or leadership as a first step and may not include a deadline for filing complaints with the board of trustees.

Attachment D: Student Discipline Policy/ Code of Conduct and DASA Policy. Provide the school’s **current NYSED-approved** student discipline policy and code of conduct unless the school is proposing revisions to the policy as part of section 4 of the renewal application. If a revision is proposed, please *also* provide a redlined version of the proposed policy, and clearly label each discipline policy to differentiate them. Provide a signed statement from the school’s attorney that the policy follows all applicable federal and state laws. If the school’s DASA policy is not incorporated into the discipline policy / code of conduct, it must be submitted separately. **NEW:** The discipline complaint policy must clearly state that in the event a manifestation determination review (MDR) determines that the conduct of a student with a disability is attributable to that disability, the student must immediately be permitted to return to the school, in lieu of beginning or completing the period of suspension.

Attachment E: Proposed Budget (Excel template). Use **ONLY** the budget template placed on the NYSED CSO Online Portal to submit the school’s proposed budget for the renewal charter term. The school’s budget may not include student enrollment that exceeds what has been approved by the Board of Regents. However, to budget conservatively, the school may project enrollment that is no greater than 15% below authorized enrollment. Label this budget as “Attachment E Proposed Budget.” All assumptions or explanations should be identified in the far-right column. Ensure that the proposed budget aligns to all areas of the narrative as sufficient funding needs to be available in order to implement all aspects of the school’s plan. **Note: Each school chartered or renewed during or after the 2018-2019 SY must have \$100k in escrow for legal and audit expenses associated with dissolution. New schools must have the full \$100k set aside by year 4 of the initial term, and renewal schools must add \$25k to the \$75k currently maintained by December 31 of year 2. Add a note under Assumptions describing the status of the school’s escrow account.**

Please Note: If the school is proposing material or nonmaterial revisions that affect the school’s budget, then the revision request needs to be listed in the renewal application and submitted to the NYSED CSO Online Portal: Revisions, as noted in Section 4 of the renewal application. Along with all other required documents for this revision, you need to provide an additional budget that reflects the proposed revision(s). Clearly label this budget as the “XXX Revision Request Budget.”

Attachment F: By-laws and Code of Ethics. Provide the **current NYSED-approved** board of trustees’ by-laws and code of ethics unless the school is proposing revisions to the by-laws as part of Section 4 of the renewal application. If a revision is proposed, please *also* provide a redlined version of the proposed by-laws, and clearly label each document to differentiate them.

Attachment G: Board of Trustees Information. In addition to completing the table below, please provide a copy of the board’s current strategic plan (if any).

Trustee Name and Email Address	Position on the Board (e.g., officers or constituent representatives)	Voting Member of the Board? (Y/N)	Committee Affiliation(s)	Areas of Expertise	Number of Terms Served including Duration of Each term (MM/DD/YY to MM/DD/YY)

Total members at the beginning of the charter term:					
Total members at the end of the charter term:					

Attachment H: Organizational Chart. Provide an organizational chart for the last year of the current charter term (2023-2024) and for the first year of the proposed renewal charter term (2024-2025), including titles of key staff positions, and the school’s reporting structure. The submission must be in chart format and cannot be a list of roles and supervisors. **Please note:** A revision request is required if the school has added or removed reporting lines at the school leader level or above since the organizational chart was last approved. If the school is proposing revisions to the organizational chart as part of Section 4 of the renewal application, please *also* provide a redlined version of the proposed organizational chart, and clearly label each document to differentiate them.

Attachment I: Proposed Contract with Comprehensive Service Provider, Charter Management Organization, or Other Entity that Provides Comprehensive Management Services. If there is no such contract, upload the Attachment I template and label it N/A. If applicable, provide the school’s **current NYSED-approved** contract with the educational service provider, charter management organization, or other entity that provides comprehensive management services for the next charter term. If the school plans to continue to contract with an educational service provider, charter management organization, or other entity that provides comprehensive management services during the next charter period, include the fully negotiated (but not executed) management contract, together with evidence that the school’s attorney has reviewed the contract and the board has approved its execution subject to the Board of Regents’ renewal approval. If the contract has yet to be negotiated, provide an explanation along with a timetable for that process to be completed. Such timetable should, in all instances, allow sufficient time for the NYSED CSO to review the completed contract prior to the time that the NYSED CSO must make its recommendation on the Application for Charter Renewal. If the school intends to begin or discontinue contracting with an educational service provider, charter management organization, or other entity that provides comprehensive management services for the next charter term, the school must submit information on these plans in response to the instructions in Section 4: Charter Revisions. Information regarding whether a contract may be deemed a contract for comprehensive management services may be found at [NYSED Definition of an Entity that Provides Comprehensive Management Services](#). **Questions should be directed to the NYSED CSO** at CharterSchools@nysed.gov. **Please note:** If the school’s contract does not contain all of the terms and information required in Exhibit C of the charter agreement, the school must *also submit* a redlined version of the contract as part of Section 4 of the renewal application and must clearly label each document to differentiate them.

Attachment J: Enrollment and Admissions Policy. Provide **ONLY** the school’s **current NYSED-approved** enrollment and admissions policy unless the school is proposing revisions to the policy as part of Section 4 of the renewal application. If a revision is proposed, please *also* provide a redlined version of the proposed policy, and clearly label each enrollment policy to differentiate them. Please ensure the policy includes the full non-discrimination statement set forth in the [Uniform Application Form](#), along with information related to

enrollment criteria, backfills, when and how to apply, enrollment preferences, weighted lotteries and set asides. **NEW:** The policy must clearly state that notice of the date, time, and place of the lottery will be provided in accordance with Public Officers Law section 104, and the lottery will be held in accordance with section 119.5 of the Commissioner’s Regulations.

Attachment K: Proposed Enrollment Table. Using the table below, provide the proposed student enrollment for each year of the proposed charter renewal term. The total number of students served must not exceed the maximum number of students approved in the school’s current charter, and grades served must correspond with those approved in the current charter term. **Note: If the school is proposing an increase in maximum approved enrollment and/or a change in grades served, the school must request a material revision (see Section 4: Charter Revisions).**

Attachment L: Certificate of Occupancy and Fire Inspection. Provide a copy of a current and non-expired certificate of occupancy (if outside NYC or in private space in NYC). Except for schools in district space (co-locations), all schools must also provide a copy of the current annual fire inspection results. **Note: Do not submit a copy of your fire sprinkler or alarm inspection results.** See [examples of required fire inspection reports required](#).

Attachment M: Fiscal Impact Table.

Please complete the table below for each of the five years represented. Charter schools located in NYC should use the entire NYCDOE to gauge fiscal impact. Please footnote your sources and assumptions.

Attachment N: Narrative Outlining Innovative Aspects of the Charter School. Referencing the charter and key design elements, describe what makes the academic program of this school innovative and different from other options currently available in the district of location. What sets this school apart from others? These may be academic or operational components of the charter school. **Note: Limit this narrative to one page.**

SECTION 6: APPENDICES

Appendix 1A: 2015 Performance Framework Benchmark 1 Indicators

Renewal is based on evidence that the following targets are generally met:

Indicator	Measure	Description	Minimum Expectations ⁹	Target Outcome
1. All Schools				
1a.	Accountability			
All Students & Subgroups	(i) ESEA Accountability Designation	Reward, Good Standing, Local Assistance Plan, Focus or Priority School Status	Good Standing	Reward
1b.	Similar Schools Comparison			
All Students & Subgroups	(i) Comparative Proficiency	Comparison of the performance of all schools in NYS with the same grade configuration and similar population of students identified as economically disadvantaged, students with disabilities and English language learners. Performance is based on schools' aggregate proficiency compared to the NYS average on 3-8 ELA and mathematics assessments and/or high school cohort ELA and mathematics outcomes.	At least 1 standard deviation above the mean	Greater than 1 standard deviation above the mean

⁹ With limited exception, all schools are expected to meet the minimum expectations. Meeting minimum expectations does not guarantee renewal. Further, the failure to progress toward target outcomes may adversely affect the renewal recommendation.

Indicator	Measure	Description	Minimum Expectations	Target Outcome
2. Elementary/Middle School Outcomes				
2a.	Trending Toward Proficiency			
All Students	(i) Aggregate Standards-Based Trend Toward Proficiency	% of students in the school maintaining a proficient testing level or trending toward proficiency from one year's test administration to the next. Analysis will examine proficiency maintenance or improvement of all students in the school compared to each student's previous year's test scores.	Maintenance or increase in 75% of total tested students' proficiency levels	Maintenance or increase in 100% of total tested students' proficiency levels
Schools can track students' annual growth by determining the percent of the total student population who: a) moved from level 1 à 2, 3 or 4; b) moved from level 2 à 3 or 4; c) remained at level 3; d) moved from level 3 à 4; or e) remained at level 4.				
Subgroups	(ii) Subgroup Standards-Based Trend Toward Proficiency	% of students in the school maintaining a proficient testing level or trending toward proficiency from one year's test administration to the next. Maintenance or increase in 75% of total tested subgroup proficiency levels	Maintenance or increase in 100% of total tested students' subgroup proficiency levels
Schools can track students' annual growth by determining the percent of each student subgroup who: a) moved from level 1 à 2, 3 or 4; b) moved from level 2 à 3 or 4; c) remained at level 3; d) moved from level 3 à 4; or e) remained at level 4.				
2b.	Proficiency			
All Students	(i) Aggregate School Level Proficiency	% of students who score proficiently on 3-8 state assessments for all students at the school level.	District Average	State Average
Subgroups	(ii) Subgroup School Level Proficiency	% of students who score proficiently on 3-8 state assessments by subgroup at the school level compared to the subgroup. Subgroups	(ii) Subgroup Cohort Graduation Rate	4-year and 5-year graduation rate for students identified as economically disadvantaged, students with disabilities, and English language learners (<i>6-year graduation rate for transfer schools only</i>). Includes August graduation rates (except for the 6-year rate as this is not collected data).	80%
All Students	(iii) Aggregate On-Track to Graduate	% of all students in a cohort that have passed 3 out of 5 Regents exams required for graduation by their 3 rd year of high school (<i>transfer school cohorts will be measured by their 4th year of high school in passing 3 out of 5 Regents exams</i>)	75%
Subgroups	(iv) Subgroup On-Track to Graduate	% of cohort by subgroup that has passed 3 out of 5 Regents exams required for graduation by their 3 rd year of high school (<i>transfer school cohort subgroups will be measured by their 4th year of high school in passing 3 out of 5 Regents exams</i>)	75%

¹⁰ Students are included in the Annual Regents Testing Outcomes if during the school year being reported, they had a Regents assessment score and were enrolled at the time the assessment was administered. In circumstances when a student takes the same assessment more than once during the school year being reported, only the highest score for that school year is reported.

¹¹ The state accountability graduation target is always set at 80%.

All Students	(v)	Aggregate Student Persistence ¹²	% of students in a 4-year and 5-year cohort that remain enrolled in the school until they graduate from the high school program (<i>6-year rate for transfer schools only</i>). Includes the August rate (except for the 6-year rate as this is not collected data).	85%

¹² Persistence is defined as any student who enters the cohort in the 9th grade and remains enrolled in the school until graduating from the high school program. This measure should be calculated as the number of students who dropped out plus the number of those with unknown outcomes divided by the cohort enrollment as of June of the academic reporting year.

Appendix 2A: 2015 Performance Framework Benchmark 1 Data Guide

Academic information is most useful to schools when they can track, compare, and predict their own data. Benchmark 1 is designed and intended to be a tool that schools can use to make programmatic decisions as well as track their academic standing each year of the charter term leading to renewal. Below is a guide for accessing these data indicators. While a school may be able to access school-level data reports, district and statewide data needed for comparisons may not be available until a later date. Schools should closely monitor public data release dates from the Office of Information and Reporting Services (IRS) and the IRS Portal announcements as this will determine when comparative data can be accessed. The Charter School Office may update these links periodically as data reporting information changes.
